

# Feedback Matters

## Why?

Follow the checklist each time you prepare your coursework. The more tasks you complete, the better your work will be.

We will discuss these points in class but please ask a tutor if you are unsure of what to do.

## Checklist

- F**ind out what is required before you begin an assignment
- E**ngage with planning and research
- E**valuate our own work before handing it in
- D**iscuss the feedback you receive with others
- B**e proactive in giving and seeking feedback
- A**sk for the feedback you want when you hand in your work
- C**reate study groups for regular feedback conversations
- K**eep a note of feedback, reflect and act on it

## Reflections

The following points from my previous feedback helped me in particular in preparation for this assignment:

Name

Registration number

FINAL AGREED MARK

Your tutor's (and second-marker's if applicable) typed comments will be provided on a separate sheet attached to your assignment.
